Ok, so my attempt to get my site in google's search has backfired, and some other site actually proxied <http://bergamini.org> somehow. I'm hoping that <http://bergamini.cc> and <http://bergamini.us> pointing to this site will somehow help, but I doubt it. Anyway, I, Daniel A. Bergamini (Daniel Bergamini), my wife Elaina R. Bergamini (Elaina Bergamini, previously Elaina R. Barton) and our little doggie Daisy Mae Bergamini are in the process of moving from Somerville, MA to Grafton, NH. Let's see if that helps.
